FOR IMMEDIATE RELEASE

NWC-Sarasota presents its first Nollaig Ceilidh (*Christmas Party*)

Sarasota, FL September 2017:

Everyone loves a holiday party, and the **Sarasota Chapter of the New World Celts** is hosting its first one on 7 December 2017 at the **Music Compound**, 1747 Cattlemen Road, in Sarasota. The **Music Compound** is an environment to inspire, collaborate and educate children and adults in pursuit of their love of music. Our Chapter is already working with a few local music and dance schools to help keep our Celtic traditions alive with support of new students, via scholarships and participation in our many events.

Carroll Brown and Friends, are proud to present at our **Nollaig Ceilidh** (Christmas Party), it is a lively program filled with Spiritual, Secular, and Celtic traditional seasonal songs, complimented by stories of family holiday gatherings and Christmas then and now. This is their 16th annual tour and many patrons and churches and community theaters enjoy this musical and culturally rich holiday program every year with return performances and tend to bring along their friends and like-minded supporters.

We have plenty of room and plenty of great food planned. Bring your whole family and best friends to this soon to be famous event. The price is \$25 per adult, with kids 13 and under free. If you order by 15 November 2017, then we will offer a discount \$5 per ticket.
